19  
20 **MINUTES REVIEW AND APPROVAL**

21  
22 Chair Dailee Gardner made a **motion** to approve the June 8, 2021 Parks and Recreation  
23 Committee meeting minutes pending the edits that Bruce Cox, Parks and Recreation Director, has  
24 made. Lynn Keddington seconded the motion, which was passed by unanimous vote (6-0).

25  
26 **WELCOME NEW RECREATION SUPERVISOR**

27  
28 Bruce Cox, Parks and Recreation Director, introduced Bryce King who is the new  
29 Centerville Recreation Coordinator. Mr. King was the recreation coordinator for Hurricane, Utah  
30 and other surrounding communities. He will also be over the City website, social media, and  
31 summer recreation classes. He is planning a Pumpkin Festival to be held on October 25<sup>th</sup>.

32  
33 **PICKLEBALL COURT UPDATE**

34  
35 Bruce Cox, Parks and Recreation Director, reported he has met with the wetland consultant,  
36 Dennis Winger, for an evaluation of the Conceptual Plan for the Community Park and Parrish  
37 Creek Pond area. Mr. Winger feels the wetland area at the Community Park Expansion will not  
38 need to be mitigated, as the pond wetland was manmade and water was diverted to make the  
39 wetland. A proposal will be made to the Army Corps of Engineers to re-delineate. Once the  
40 wetland is either re-delineated or mitigated, grants will be applied for to get the pickleball courts.  
41 Mr. Cox thinks he will have the proposals sometime this month, and the grant will be applied for  
42 next year.

1 There are impact fees coming from the development where the trailer park was, and the subdivision  
2 where Dick's Market was on Pages Lane. These two developments might provide enough impact  
3 fees to provide the match to do the courts.  
4

5 Final approval for the pickleball courts must come from the City Council. Dailee Gardner  
6 said Mayor Wilkinson asked her several months ago to form a Pickleball Committee, and she has  
7 the names for this Committee. Once financing is available, the Committee will be asked for their  
8 recommendations. Bruce Cox said that anything that is needed at the park will be included in the  
9 Landwater Conservation Grant, which is the grant that is used for parks. Ideas for upgrades at the  
10 Community Park include a new restroom building, lighting for the trails, playground equipment  
11 replaced at the east end of the park, and new playground equipment for younger children near the  
12 west pavilion.  
13

14 At this time, the parks master plan that was presented to the City Council has not yet been  
15 adopted, but there is a list of amenities in the Parks Capital Improvement Plan that has been  
16 prioritized by the Parks and Recreation Committee and recommended to the City Council. Jennifer  
17 Hansen will be asked to verify if the Parks Master plan was approved by the City Council. Bruce  
18 Cox will send a copy of the Parks Capital Improvement Plan to Bryce King. Chair Dailee Gardner  
19 said she has a letter on the updates for the Community Park that she is ready to give to the City  
20 Council. Dailee will email a copy of this letter to each Parks and Recreation Committee member.  
21 This letter will include proposed changes for the 4<sup>th</sup> of July celebration, and the need for upgrades  
22 at the park.  
23

24 Chair Dailee Gardner made a **motion** that the Centerville City Parks and Recreation  
25 Committee recommend to have the city 4<sup>th</sup> of July celebration held at the Community Park going  
26 forward. Julianne Zollinger seconded the motion, which was passed by unanimous vote (6-0).  
27

28 Bruce Cox suggested better sight lighting be installed at the Community Park for  
29 ballgames, volleyball court, parking lots, and solar lighting for the walking paths. New playground  
30 equipment may need to be added to the Master Plan. Julianne Zollinger suggested at the next  
31 meeting, an overall list of what the Parks and Recreation Committee wants for the Community  
32 Park be compiled. Dailee Gardner suggested a work session with the City Council to discuss the  
33 Parks Master Plan.  
34

35 The Committee discussed the Movies in the Park, and the possibility of having it at the  
36 Community Park next year. This activity has not been well attended this year, and it was suggested  
37 to hold it once a month next year. Bryce King suggested providing more events before the movie,  
38 and doing more marketing of the movies to attract more people. Haley Turner suggested having a  
39 Centerville Food Truck night before the movie. This has been successful in Bountiful, and food  
40 draws people. If more people started attending the movies, then perhaps it could be moved to the  
41 Community Park.

**NATIONAL PARKS AND RECREATION MONTH**

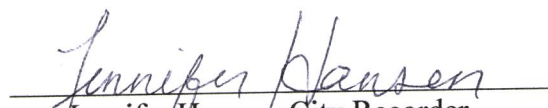

Bryce King, Recreation Coordinator, said that July is National Parks and Recreation month. He would like Centerville to do a lot of activities during July of 2022. He would like to have mountain biking and Esports activities as part of the recreation program next year.

**NEXT MEETING**

The next Parks and Recreation Committee meeting will be held on Tuesday, September 14, 2021 at 8:00 p.m. at City Hall. Bryce King, Recreation Coordinator, will attend the meeting to discuss recreation ideas with the Parks and Recreation Committee.

**ADJOURN**

At 8:00 p.m., Chair Dailee Gardner made a **motion** to adjourn the meeting. Lynn Keddington seconded the motion, which was passed by unanimous vote (6-0).
